

VVE Booster Club

Get Involved, Be Informed

The Valley View Booster Club is a non-profit organization. Its purpose is to participate in the development of an atmosphere in which each child can develop academically, emotionally, socially, and physically to his or her maximum potential. The Booster Club fosters communication and working relationships among the home, school, and community, for the benefit of our children. It serves as a support organization for Valley View Elementary.

There are many opportunities for involvement in your child's education and social development at Valley View. Your involvement provides a network for exchanging ideas and information that directly benefits our children.

Our meeting dates and times are announced in the Cardinal Weekly, on our Facebook Page, as well as on our website, www.vveboosterclub.com. We would LOVE for you to come and share your ideas, meet your neighbors and have fun providing our children with the richest resource we have to offer...their parents. **Please mark your calendar for our first meeting on FRIDAY, AUGUST 25th at 9am!!!!**
